

# PRESENTATION TITLE

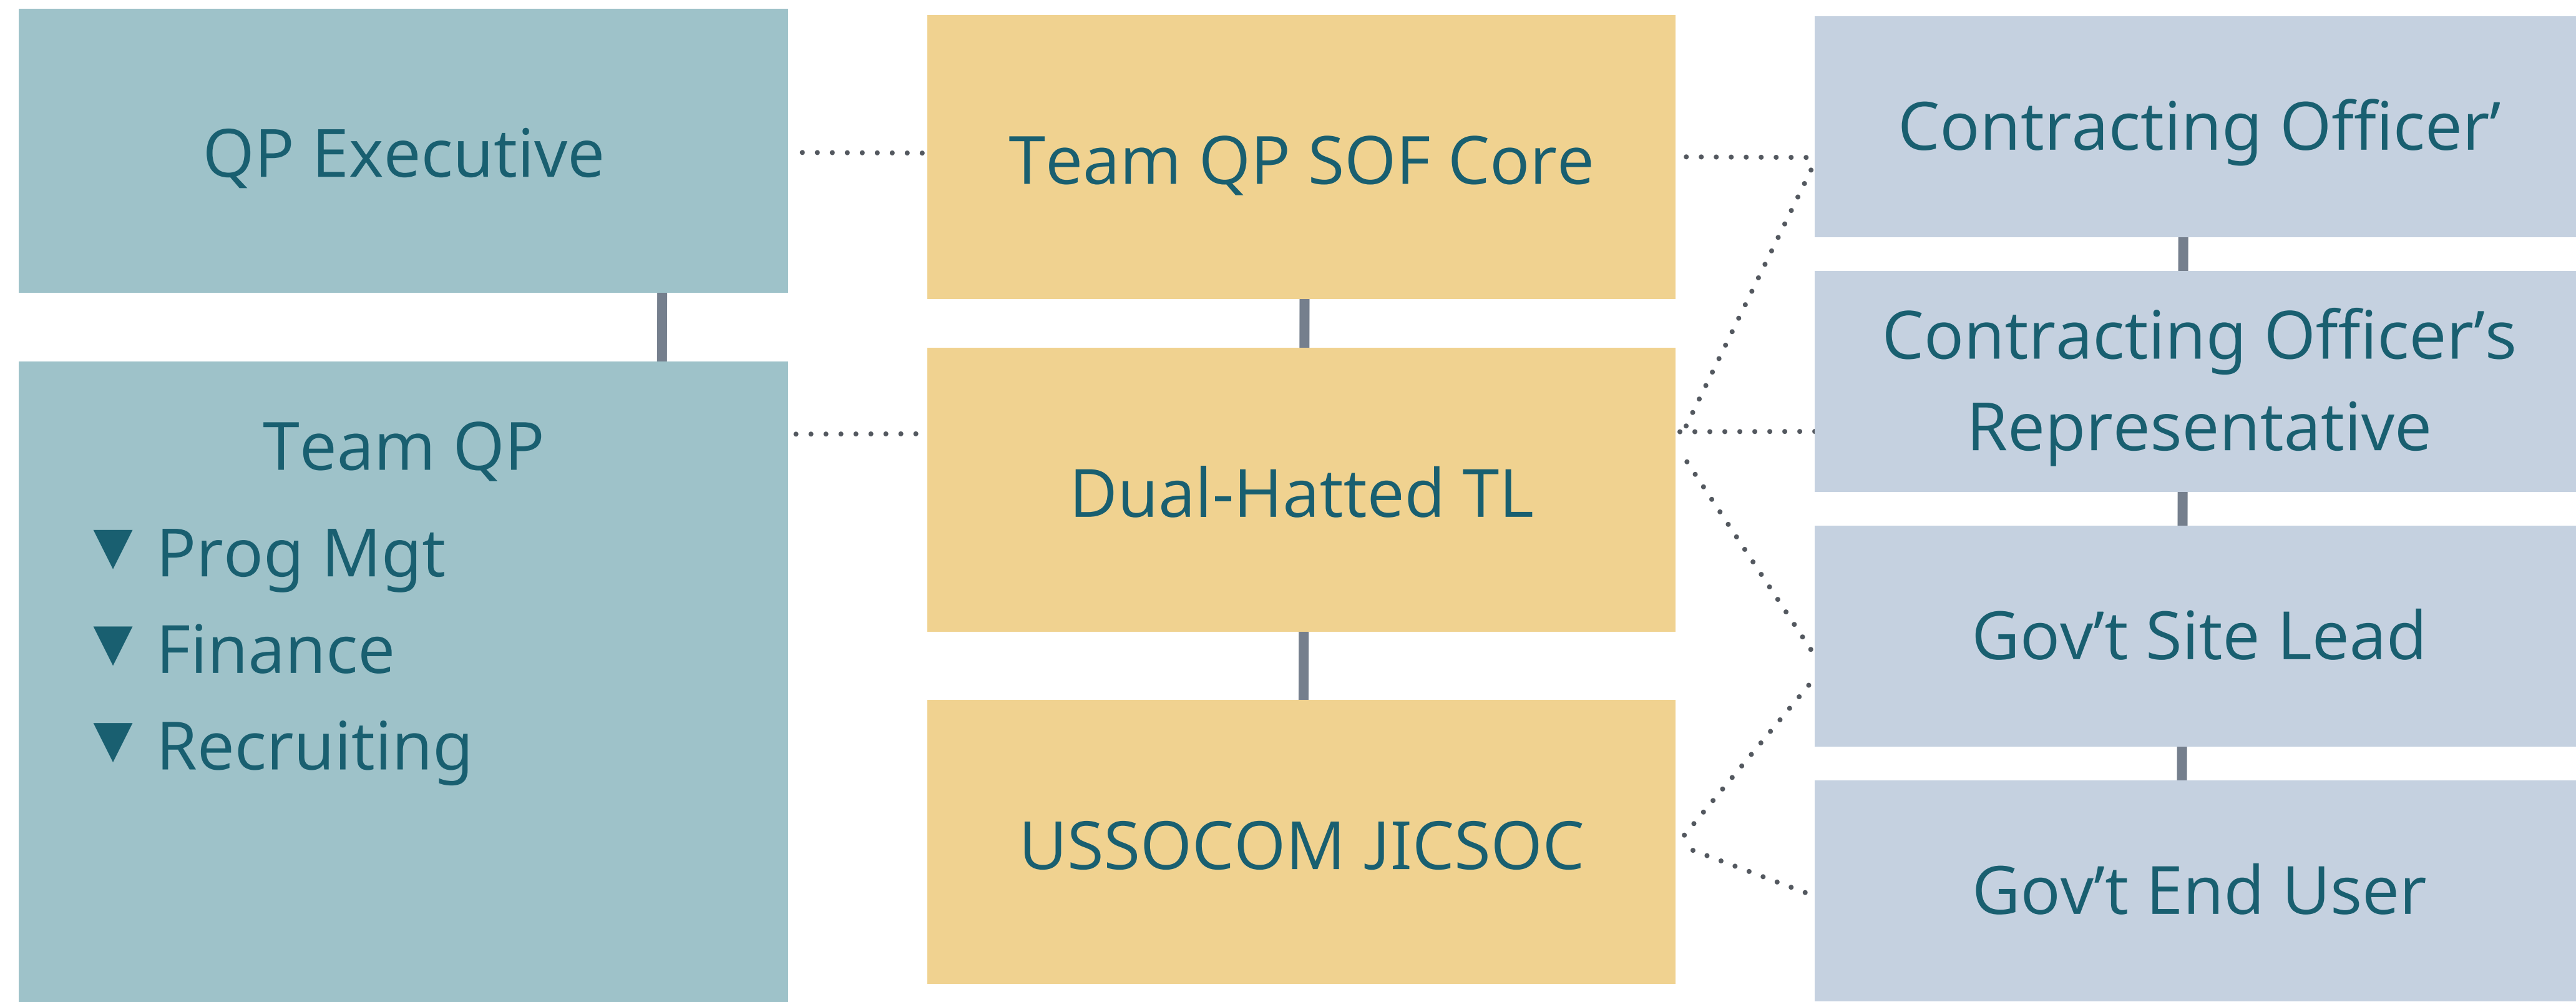

SEASIDE  
— INNOVATIONS —

Precision Excellence. Fortified by Data-Driven Innovations.

# Lines of Communication

## Customer and Corporate

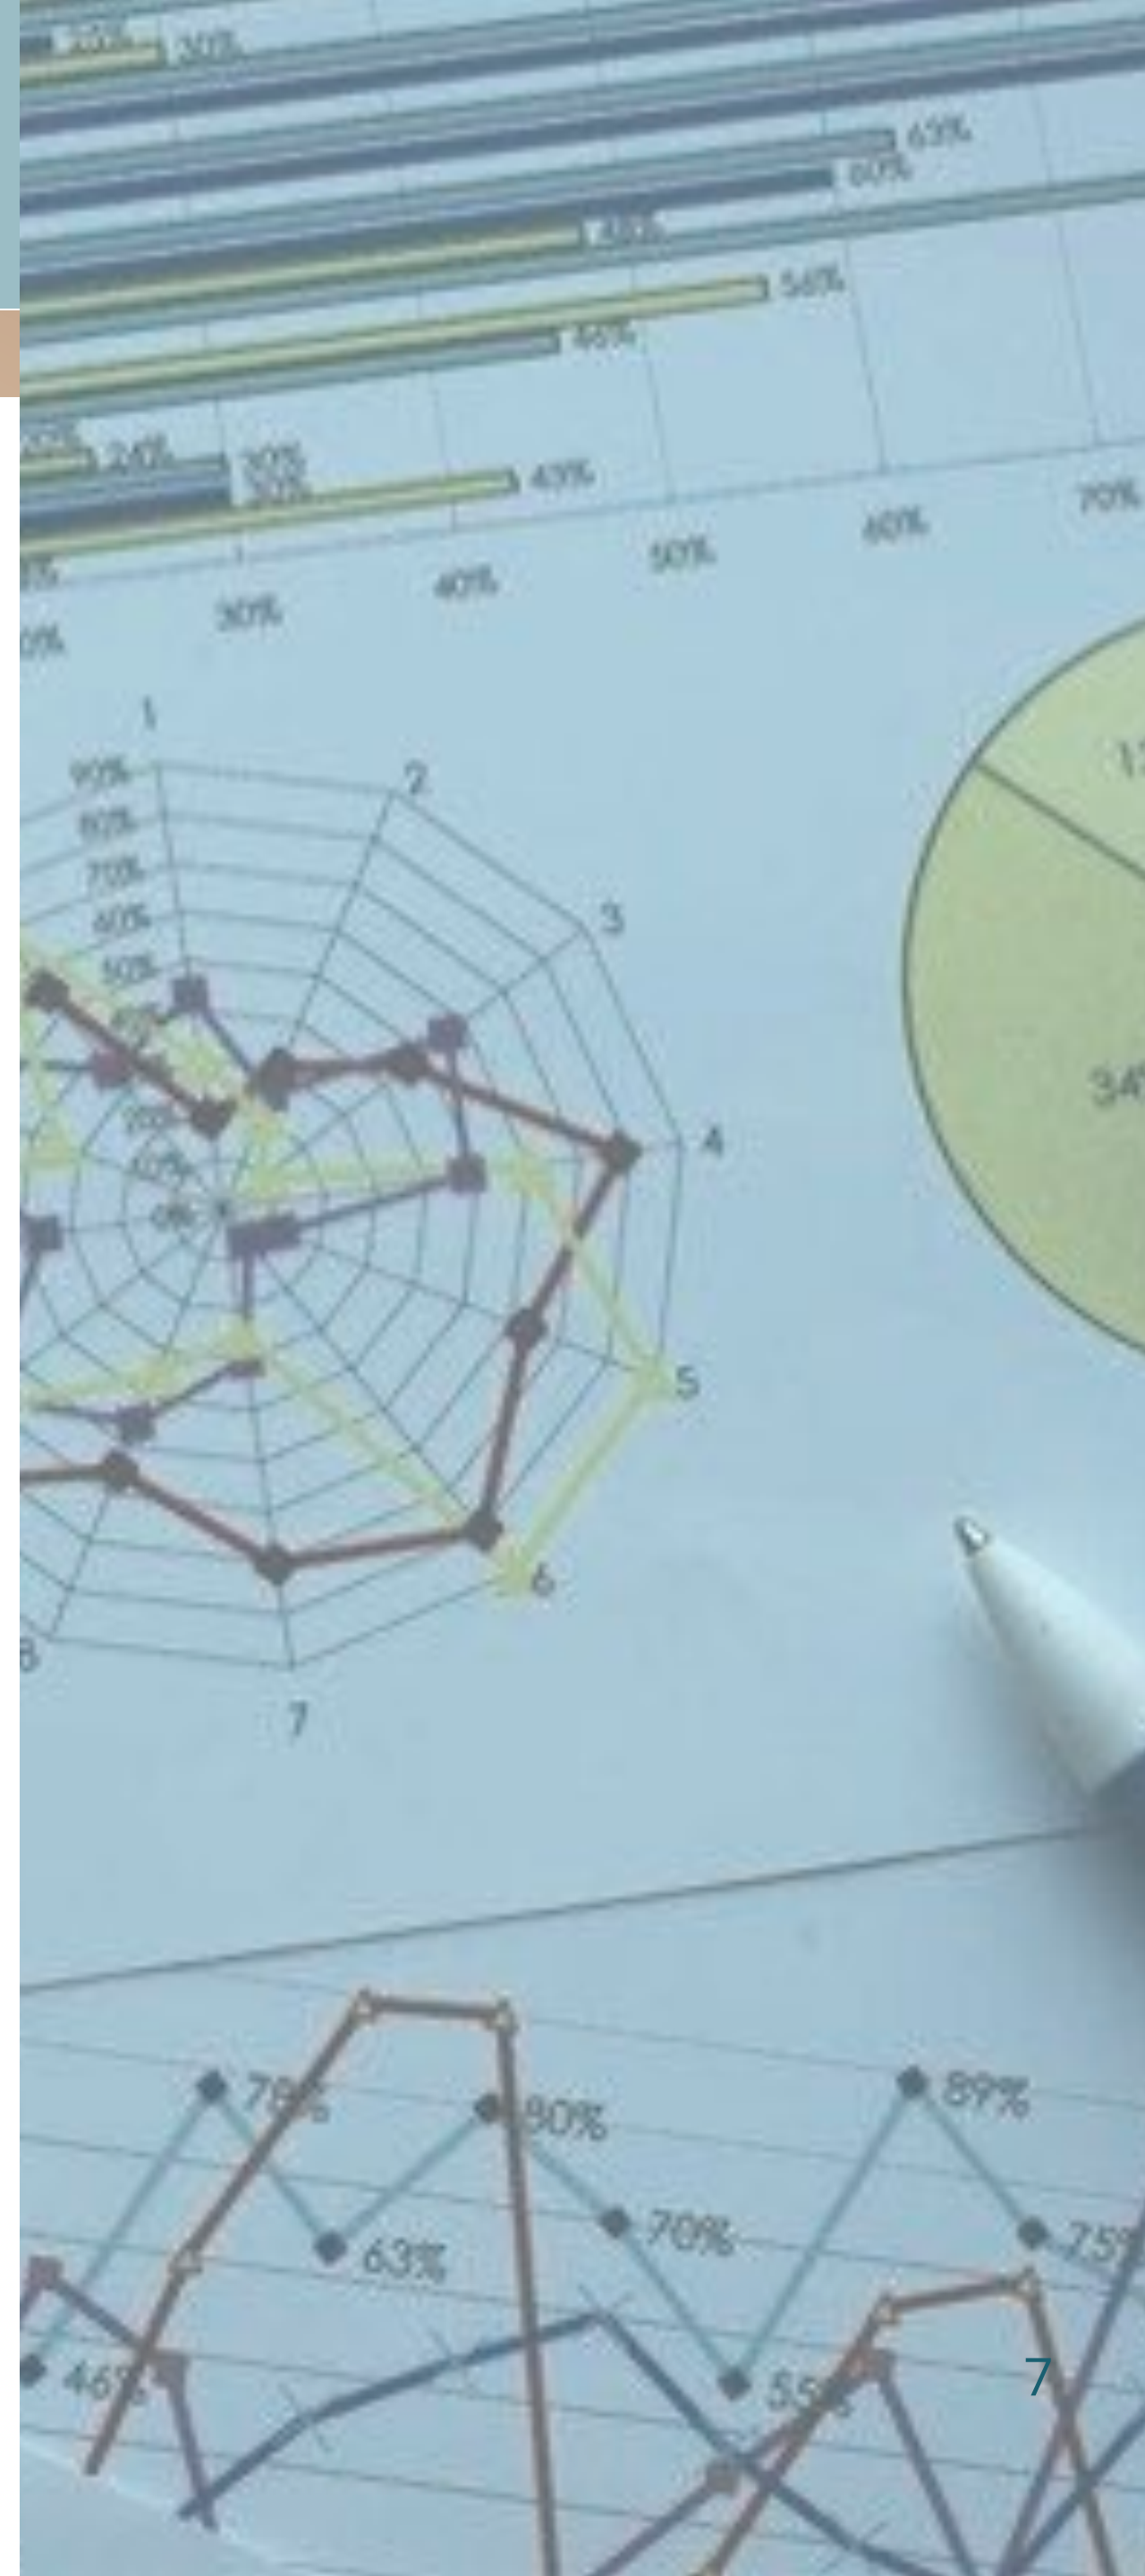

# Data Science Process

## In Defense Industry

- ▼ Data Driven Decisions lead to better intelligence
- ▼ Mission Understanding is crucial for effective problem solving
- ▼ Data Mining/Cleaning are essential steps for any project
- ▼ Feature Engineering & Predictive Modeling ensure accuracy
- ▼ Data Visualization helps garner patterns and insights

Precision Excellence. Fortified by Data-Driven Innovations.

# Why Choose Seaside?

Advanced Design  
Creative Team  
Affordable Price  
Quality Assurance  
Quick Support

Precision Excellence. Fortified by Data-Driven Innovations.

# Work with Endictus

Precision Excellence. Fortified by Data-Driven Innovations.

# SWOT Analysis (Seaside)

Strengths	Weaknesses	Opportunities	Threats
Professional Connections – Expand Government Relationships	Limited Market Presence	SOF Core Support	Not current prime on SOF Core Support
Leverage Combined Intelligence/Data Science Expertise	Regulatory Compliance (Working towards CMMC Level 1)	SOCCENT JOG-C	High turnover rates for legacy LCAT rates
Debt Free		CENTCOM CHIPS IDIQ	Limited Senior Experienced Data Scientists in the area (Would need to relocated them likely)
TS FCL		GSA MAS	
SOCOM/CENTCOM Past Performance		OASIS 8(a)	
SDVOSB
